DECLARATION OF WARREN R. WHITE

Assistant Commissioner for Patents
Washington, D.C. 20231

Att'y Docket No. 2106-00100
Date: 2-7-02

1. My name is Warren R. White; I am over 18 years of age and have never been convicted of a felony. I have personal knowledge of the facts and statements made below.

2. I am the inventor in the application for United States Letters Patent titled "Mobile Cattle Hospital," the Declaration for utility or design application for which I execute simultaneously with the execution of this Declaration.

3. In 1999 I visited the Adam's Land & Cattle Company of Brokenbow, Nebraska, where I witnessed a trailer used for treating cattle in the Adam's Land & Cattle feedlot operation.

4. The trailer I witnessed in 1999 was moved by a tractor to be near the cattle in the feed alley, and had a squeeze chute mounted on the trailer. The trailer had a hydraulically operated ramp on the back which led to a squeeze chute mounted on the trailer. Cattle could exit the trailer in three ways: off the back; to one side; or by moving across a hydraulically operated ramp over the feed trough and fence back into the pen. The trailer did not take hydraulic supply from the tractor; but rather, had a portable generator and hydraulic package mounted on the trailer which operated the ramp at the back of the trailer and ramp extending over the feed trough and fence.

5. The trailer I observed at Adam's Land & Cattle Company did not raise and lower. Further, the trailer did not have sufficient fence panels to create a squeeze pen near the back of the trailer.

6. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with knowledge that false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
